**STATEMENT OF THE SUBSTANCE OF THE INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Va 22313-1450

August 5, 2005

Sir:

This Statement of the Substance of the Interview is being filed within one month from the date of the Examiner Interview Summary, which was received with the Notice of Allowance dated August 2, 2005. Accordingly, this statement is timely.

In the Examiner's Interview conducted on multiple days, including July 21, 2005, the cancellation of claims 20 and 38-51 was discussed. While these claims are considered patentable by the applicants, the applicants agreed to cancel the subject matter in view of the Examiner's indication that the remaining claims are allowable. Thus, to expedite the prosecution of the present application, consent to the Examiner's Amendment was provided. The applicants reserve the right to pursue the remaining subject matter, if any, in one or more continuation or divisional applications.

U.S. Patent Application No. 10/784,379  
Statement of Substance of Interview dated August 5, 2005

It is believed that no fee is required to make this a complete and timely filing. If there are any fees due in connection with the filing of this response, please charge the fees to Deposit Account No. 50-0925. If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such extension is requested and should also be charged to said Deposit Account.

Respectfully submitted,
